The first law of computer science:
Every problem is solved by yet
another indirection.

— Bjarne Stroustrup —

AZ QUOTES

Probleme

- Norme ANAF (help soft)
- Integrarea limitărilor softului în condițiile generale [1203 NCC]
- Obținere extrase [2191(3) NCC]

NO
ROBOTS AT

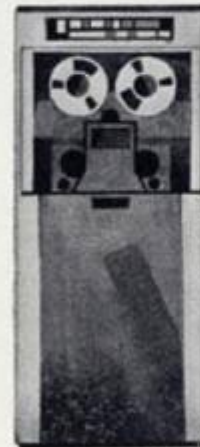

THE COUNTER

At Barclays we pride ourselves upon a human understanding of our customers' needs and financial problems. Science has given our staffs a wide variety of mechanical aids, ranging from simple postal franking machines to the very latest in electronic calculators and computers.

But these do not obtrude. They are simply a guarantee of speedy accuracy which lies behind a friendly and courteous service.
